

1724 SPRUCE STREET
PHILADELPHIA

April 22, 1921.

Dear Dr. Finochietto;

I have just received your letter and am only too glad to send you such reprints as I have on the subject of trigeminal neuralgia together with a few others dealing with neurosurgical subjects.

If there is any particular phase of the problem of trigeminal neuralgia in which you are especially interested, I should be glad to write you more in detail.

Cordially yours,

Dr. Ricardo Finochietto,
970 Paraua St.
Buenos Aires,
Rep. Argentina.

Wm. H. Meyer
